Approval of November agenda with changes of Cty Q by E. Anderson/B. Swindall. Carried.

Old Business:

Request to have signs replaced on Cty Q: 45 mph speed zone and school bus stop ahead.
Leo stated:

1. School has to call Iowa Co. (L. Klosterman), DOT and the bus driver needs to have a good reason for the sign.
2. A 45 mph speed zone sign is being put up between Military Ridge Road and Esch Road. The study showed people are driving about 62 mph.

New Business:

- Report on Hwy 151 schedule that they may be opening it by Dickeyville in November.
- Russell reported that the sign showing speeds is effective especially when used occasionally when a lot of traffic is expected, i.e., Halloween night.
- Coming and going into Ridgeway from the east, the speed signs are not offset. Leo will look at it.

Next meeting is February 14th at 9:30 a.m. at the Iowa County Highway Dept.

Adjourn by E. Anderson/B. Russell.

Recorder: J. Meudt
