

LOCAL GOVERNMENT POSTAL RATE

WHEREAS, the United States Postal Service has filed notice for an increase in postage rates to be effective upon the approval of all appropriate bodies; and

WHEREAS, such a postal increase will mandate a significant financial impact on local county governments throughout the United States for essential services provided by local entities, i.e., tax notices, voter registration forms, jury duty summons, jury duty pay, general payments of local counties, et. al; and

WHEREAS, in essence, such a postal rate increase will be a form of "double taxation" on local county government taxpayers, for required governmental services; and

WHEREAS, the United States Postal Services and local county governments should be working mutually for the benefit of local taxpayers, to whom they both provide a service.

NOW, THEREFORE, BE IT RESOLVED, that the Iowa County Board of Supervisors duly assembled this 19th day of March, 1991 requests that the United States Postal Service strongly consider the institution of a "local government postal rate" as part of its current Rate Filing in an effort to reduce the burden of cost increases in postal rates to local county government taxpayers.

BE IT FURTHER RESOLVED that the County Clerk be instructed to send copies of this resolution to the State Senators and State Representatives representing Iowa County and all ~~Wisconsin Counties~~ and request that they join Iowa County in this request.

U.S. Senators Kasten, Kohl and Congressman Klug

Recommended for passage this 19th day of March, 1991 by the Legislative Committee of the Iowa County Board of Supervisors.
