

RESOLUTION NO. 8

A Resolution to Modify the Iowa County Citizen Participation Plan

WHEREAS, On June 20, 1989 the Iowa County Board of Supervisors approved a Citizen Participation Plan as required by the Wisconsin Department of Development under the Wisconsin Development Fund (WDF) Economic Development Program; and

WHEREAS, the plan currently provides for a two-week public notification of public hearings concerning the WDF program; and

WHEREAS, it has been determined that the length of time between public notification and the holding of a public hearing will typically be nineteen days because said hearings will coincide with certain county meetings; and

WHEREAS, a slightly shorter time of ten to twelve days notice is expected to better serve the purpose of encouraging attendance at said hearings; and will, in addition, make it easier to meet the requirements of the Citizen Participation Plan.

NOW, THEREFORE, BE IT RESOLVED, that the Iowa County Board of Supervisors hereby modifies the Iowa County Citizen Participation Plan to provide that notice of public hearings will be by public notice in the official newspaper ten days preceding the hearing, and will also be posted as specified in the plan.
