

Resolution No. 11

WHEREAS, many of Wisconsin's children are living in impoverished single parent households because of the consequences of the high rate of divorce and non-marital births; and,

WHEREAS, this factor has placed an increased demand on the services of county child support agencies, through whose efforts the State of Wisconsin is a national leader in support collections and paternity establishment; and,

WHEREAS, the IOWA County Board of Supervisors endorses the goals and responsibilities of child support agencies; and,

WHEREAS, September, 1992, is Child Support Enforcement month in the State of Wisconsin;

NOW, THEREFORE, the County Board of Supervisors declares September, 1992, as Child Support Enforcement month in IOWA County, and joins Governor Tommy Thompson in urging all citizens to pledge their support to the realization of the goals of the Child Support Program.

  
Richard M. Scullion,  
Iowa County Board Chairman
