

No. 2 - 877

Whereas this Committee has considered in accord with previous Board action the implementation of a 911 system for Iowa County, and

Whereas GTE has provided a proposed contract for network equipment that may be amended as to detail including price due to advancing technology but will remain as proposed for the agreement intention

Now Therefore Be It Resolved that this Committee action and the project is hereby approved for continuation in accord with previous Board action.

Bernard Serschi

Robert M. Brown
