

RESOLUTION NO. 14-1296

TO THE HONORABLE IOWA COUNTY BOARD OF SUPERVISORS:

WHEREAS, the Energy Intervenor/Energy Assistant position is forty (40) hours per week, October through May, and was increased to twenty (20) hours from June through September in Resolution No. 7-995 with a review of the on-going need to be done before December 31, 1996, and

WHEREAS, the Social Services Board has reviewed the position and has determined an on-going need to increase the hours of the Energy Intervenor/Energy Assistant from June through September, due to increased work load, and

WHEREAS, the Iowa County Personnel Committee has upheld the Social Services Board's recommendation to increase the hours to 20 hours from June through September, and reviewed before December 31, 1997.

NOW, THEREFORE BE IT RESOLVED, that the Iowa County Personnel Committee does hereby recommend that the Energy Intervenor/Energy Assistant work forty (40) hours, October through May, and twenty (20) hours from June through September with a review done before December 31, 1997 to consider the on-going need for additional hours.

Respectfully submitted:
