

Resolution 15-997
Emergency Operations Plan - Emergency Management

Whereas this Board has in the past approved the Emergency Management Plan for Iowa County as mandated by Wisconsin Statutes 166.03 (4) (a) to be consistent with the State Plan, and

Whereas the State Plan is now referred to as the Emergency Operations Plan and the county name is changed from Emergency Government to Emergency Management, and

Whereas to maintain a current reference to the appropriate agency and document names it is appropriate to update the plan approval of this Board

Now Therefore Be It Resolved that the Iowa County Emergency Operations Plan, together with agency annexes, as on file in the Emergency Management Office is hereby adopted as the official program of Iowa County Emergency Management.
