

**Amendatory Ordinance No. 17-897**

To the Honorable Iowa County Board of Supervisors:

Whereas it is recognized that there has been an increase in work being conducted out of the house due to the strides in technology in the computer and electronic communications industries;

Whereas these technological innovations could not have been predicted when the Iowa County Zoning Ordinance was first adopted;

Whereas it is accepted that certain occupations and professions primarily work out of the home and such occupations and professions exist in Iowa County;

Whereas the Townships of Iowa County have had opportunity to review this petition;

Whereas a public hearing, designated as zoning hearing number **1419** has been held on **August 14, 1997** in accord with said notice and as a result of said hearing action has been taken by the Planning and Zoning Committee to **approve** said petition with the specific provisions attached;

Now therefore be it resolved that Sections 3.3 and 3.35 of the Iowa County Zoning Ordinance be amended to add "Household Occupation and Professional Home Office" as conditional uses.
