

RESOLUTION NO. 2-0505

TO THE HONORABLE IOWA COUNTY BOARD OF SUPERVISORS:

WHEREAS, the Iowa County Committee of Information Systems has evaluated the Iowa County Website in regard to its value as a public resource:

WHEREAS, the Iowa County Board of Supervisors has charged the Iowa County Information Systems Department with maintaining the Iowa County website:

WHEREAS, Iowa County committee meeting Minutes are currently being submitted to the County Clerks office:

WHEREAS, the Committee is interested in enhancing and expanding benefits derived by the public from the County website:

WHEREAS, the Iowa County Committee of Information Systems has evaluated the potential time invested to post all committee meeting Agendas and Minutes on the County website:

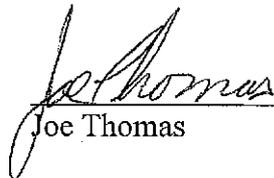

NOW THEREFORE, BE IT RESOLVED, by the Iowa County Board of Supervisors, that the County Clerk in conjunction with the Information Systems Department will begin posting all Minutes and Agendas for all Committee meetings. All Minutes and Agendas shall be electronically forwarded to the County Clerk to be published on the website. Upon approval by the County Board, this process will be implemented for a six month trial period and then re-evaluated at the end of this trial period.

Dated this 17th day of May 2005.

Respectfully submitted by the Iowa County Committee of Information Systems:

Dana Perry, Chairperson

Joe Thomas
