

RESOLUTION NO. 3-0505

TO THE HONORABLE IOWA COUNTY BOARD OF SUPERVISORS:

WHEREAS, the Information Systems Committee has evaluated the current operating requirements and performance of Iowa County's telecommunication system:

WHEREAS, the Information Systems Committee recognizes the County's significant investment in telecommunications equipment and services:

WHEREAS, the Information Systems Committee is interested in improving the telephone systems in terms of cost-effectiveness and functionality:

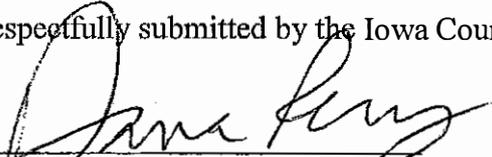

WHEREAS, the Information Systems Committee recognizes that computers and telecommunications systems are merging:

WHEREAS, the Information Systems Committee has reviewed the need to establish a Resolution that protects the investment of Iowa County's telecommunication service:

NOW THEREFORE, BE IT RESOLVED, by the Iowa County Board of Supervisors, that the Information Systems Committee will provide oversight for all Iowa County telephone systems, with the exception of Bloomfield Manor. Any maintenance request or telephone system changes must be brought to the attention of the Information Systems Department.

Dated this 17th day of May 2005.

Respectfully submitted by the Iowa County Committee of Information Systems:

Dana Perry, Chairperson

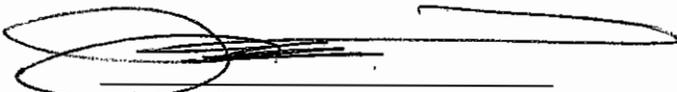

Joe Thomas

Eric Anderson

David Meudt

John Lind
