

RESOLUTION NO. 4-1006

FORMATION OF A BUILDING COMMITTEE

TO THE HONORABLE IOWA COUNTY BOARD OF SUPERVISORS:

WHEREAS, The Iowa County Board of Supervisors has determined there is a need to build a new building for Health and Social Services and to address the needed improvements at the present Law Enforcement Center;

WHEREAS, because of the various needs and considerations for both projects this oversight Committee is responsible for all aspects of both projects;

WHEREAS, this Committee will work in conjunction with any other Committee having an interest in these projects, it shall be this Committee that reports to the Iowa County Board with recommendations for timely and appropriate considerations for any and all decisions regarding either project;

NOW THEREFOR BE IT RESOLVED, that the Iowa County Board establish a five member Building Committee to oversee the building project and the remodeling of certain areas of the Law Enforcement Center.
