

**RESOLUTION NO. 11-0308**

**TO THE HONORABLE IOWA COUNTY BOARD OF SUPERVISORS:**

**WHEREAS**, Adoption of County Ordinances or changes to County Ordinances requires the publication of the entire text of the adopted ordinance or the modifications in its entirety at great expense to Iowa County; and

**WHEREAS**, SB 335 and AB 582 will allow counties to publish only a summary resulting in substantial savings.

**NOW THEREFORE, BE IT RESOLVED**, the Iowa County Board of Supervisors hereby supports passage of Sen. 335 and AB 582 as it will save counties significantly in the publication of ordinance adoption and/or amendments to ordinances.

**BE IT FURTHER RESOLVED**, copies of the resolution be forwarded to the State Senator Dale Schultz, State Representative Steve Hilgenberg, Governor Doyle and the Wisconsin County Association.

Respectfully submitted by the Iowa County Committee on Committees:

Dated this 18<sup>th</sup> day of March 2008.
