

Resolution Number: 5-0509

ESTABLISHING FEE SCHEDULE FOR CONTROLLED ACCESS ORDINANCE

Whereas, the Iowa County Board of Supervisors did adopt the Iowa County Highway Access Control Ordinance as required by Section 86.07(2) of the State of Wisconsin Statutes and Chapter Hy31 of the Wisconsin Administrative Code;

Whereas, the administration and enforcement of said ordinance comes at a cost;

Whereas, this cost should be borne primarily by those in need of the service versus the general tax payer;

Whereas, it has been determined, based upon the relative expense to the administrative authority (County Highway Department), that a permit fee should offset those costs;

Whereas, the standard fee structure was incorporated in the original Access Ordinance,

Whereas, it has been determined due to the cost of operations and economic conditions warrants the periodic revisions to this rate fee structure,

Whereas, it has been determined more feasible to establish the fees independent of the Ordinance for ease of revisions thereto without making any further amendments to said Highway Access Control Ordinance,

Now Therefore Be It Resolved that the Iowa County Board of Supervisors does hereby adopt this resolution setting permit fees as follows associated with the administration and enforcement of the Iowa County Highway Access Control Ordinance:

For Section 6.0: Administration and Enforcement Review Fees

The applicant shall pay to the Iowa County Highway and Transportation Department a fee for each permit application as determined by the type of access as described in Section 5.f (12 – 14), and shall be determined as follows:

Type "C" or road Access.....	\$325.00
Type "B" Access.....	\$325.00
Type "A" Access.....	\$175.00
Agricultural Field Access.....	\$175.00

Dated this 19th day of May, 2009.
