

Resolution Number: 3-0510

Whereas, Iowa County adopted its Farmland Preservation Plan in 1980, which includes the designation of areas in the county to be preserved for agricultural uses as farmland preservation areas; and

Whereas, Wisconsin, Act. 28 established the Working Lands Initiative, which includes a state Purchase of Agricultural Conservation Easement or PACE program; and

Whereas, application for participation in the PACE program requires confirmation by the county that the land affected is within an area mapped for farmland preservation; and
