

Resolution No. 3-1112

**RESOLUTION INCREASING THE 2013 LEVY FROM
PREVIOUSLY UNUSED LEVY DOLLARS**

WHEREAS, the Administrative Services Committee has assessed the necessity of setting aside funds within the 2013 budget for future compensation issues; and

WHEREAS, the County of Iowa has an option of levying from past unused levy dollars in the amount of \$49,598; and

WHEREAS, when financial decisions are made that impact recurring expenses including future compensation adjustments, the Board shall adjust the budget accordingly to avoid a potential structural deficit;

NOW THEREFORE, BE IT RESOLVED by the Iowa County Board that there is hereby authorized by a $\frac{3}{4}$ vote of the Board an authorizing resolution to set aside an increased amount from previously unused levy; and

BE IT FURTHER RESOLVED that the amount allowed and the amount authorized shall equal \$49,598 solely for the purposes of future compensation.

Respectfully submitted by the Administrative Services Committee.
