

Resolution Number: 8-1112

**Whereas**, authority is granted to establish construction standards for animal waste storage facilities by Sections 59.02 and 92.16, Wisconsin Statutes;

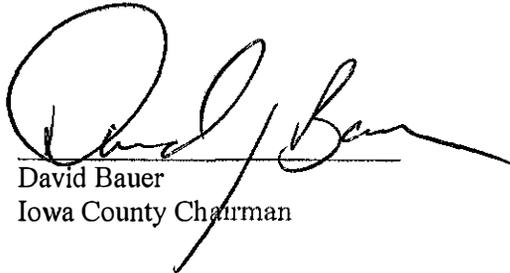

**Whereas**, the Iowa County Board of Supervisors did adopt the Iowa County Animal Waste Storage and Nutrient Utilization Ordinance in 2000 and established a \$100 permit fee at that time;

**Whereas**, the administration and enforcement of said ordinance comes at a cost;

**Whereas**, the Iowa County Planning & Zoning Committee and Iowa County Economic Development, Education and Property Committee have both taken action to recommend increasing the permit fee to \$500 to better offset the true and actual administration costs;

**Now Therefore Be It Resolved** that the Iowa County Board of Supervisors do hereby adopt this resolution setting a \$500.00 permit fee associated with the administration and enforcement of the Iowa County Animal Waste Storage and Nutrient Utilization Ordinance with 80% going to the Iowa County Land Conservation Department and 20% to the Iowa County Office of Planning & Development.

Adopted this 13th day of November, 2012.
