

**Amendatory Ordinance No. 4-0714**

To the Honorable Iowa County Board of Supervisors:

Whereas the enactment of Wis. Admin. Code PSC 128 in 2012 prohibited the siting of wind energy systems by zoning district;

Whereas the enactment of Act 20 in 2013 prohibited the siting of telecommunication towers and facilities by zoning district;

Whereas the Iowa County Zoning Ordinance includes provisions to consider both wind energy systems and telecommunication towers and facilities by the conditional use permit process in certain zoning districts that are inconsistent with said state laws;

Whereas a public hearing, designated as zoning hearing number \_\_\_\_\_, was held on **June 25, 2014** by the Iowa County Planning & Zoning Committee to consider removing the existing references to both wind energy systems and telecommunication towers and facilities under Section 3.2 and Section 7.1 and subsequent action was taken by the Committee to recommend approval by the Iowa County Board of Supervisors,

Now therefore be it resolved that the Iowa County Zoning Ordinance be amended as recommended by the Iowa County Planning and Zoning Committee.

Respectfully submitted by the Iowa County Planning & Zoning Committee.
