## Planning & Zoning Committee Recommendation Summary

Public Hearing Held on February 23, 2017

Zoning Hearing 2867

Recommendation: **Approval**

**Applicant(s):** Dennis Halverson & Shannon Leitzke

**Town of Arena**

**Site Description:** part of the NE/SW of S23-T8N-R4E also affecting tax parcel 002-1125.B

**Petition Summary:** This is a request to rezone and existing nonconforming A-1 Ag lot to AR-1 Ag Res in order to make it conform and eligible for livestock type animal units (a horse).

### Comments/Recommendations

1. The existing lot became nonconforming when it was created in 2004, at which time the minimum 40-acre lot size for the A-1 district was in effect.
2. If approved, the lot would be eligible for one single family residence, accessory structures and animal units approved by conditional use permit.
3. The lot is in a largely residential area with a mixture of A-1 (nonconforming and legal nonconforming), AR-1 (conforming and nonconforming) and R-1 lots.
4. The proposal is consistent with the adopted comprehensive plans as it is not converting land from an agricultural use or creating a use inconsistent with surrounding uses.

**Town Recommendation:** The Town of Arena did not have a recommendation at the time of this report.

**Staff Recommendation:** Staff recommends approval provided the Town concurs
