Planning & Zoning Committee Recommendation Summary

Public Hearing Held on March 23, 2017

Zoning Hearing 2873

Recommendation: **Approval**

Applicant(s): William, Amy & Mark Hodgson

Town of Brigham

Site Description: part of the SW/SW of S28-T7N-R5E also affecting tax parcels 004-0180, 0181

Petition Summary: This is a request to create a 5.618 acre lot by rezoning from A-1 Ag to AR-1 Ag Res.

Comments/Recommendations

1. If approved, the lot would be eligible for one single family residence, accessory structures and up to 3 livestock animal units. This is currently vacant land.
2. The lot is adjacent to an AR-1 lot to the west and otherwise in an area of agricultural and open space uses.
3. The applicants have been made aware that at-grade access to US Hwy 18-151 is planned to be eliminated through a freeway conversion project by the WDOT. Currently, there is no timeline for the project.
4. The proposal is consistent with the adopted comprehensive plans as it would not convert productive agricultural land to another use nor negatively impact the continued agricultural use of surrounding land.

Town Recommendation: The Town of Brigham recommends approval

Staff Recommendation: Staff recommends approval with the condition that the associated certified survey map is recorded with the Register of Deeds within 6 months of the County Board approving the zoning change.
