Planning & Zoning Committee Recommendation Summary

Public Hearing Held on February 23, 2017

Zoning Hearing 2868

Recommendation: **Approval**

Applicant(s): Andrew Schluenz

Town of Highland

Site Description: part of the NE/NW of S30-T7N-R1E also affecting tax parcels 012-0959 and 012-0962.01.

Petition Summary: This is a request to rezone an existing nonconforming A-1 lot to AR-1 in order to make it eligible for permits.

Comments/Recommendations

1. The existing property was created by division off of a farm in 1992, at which time the minimum 40-acre lot size was in effect for the A-1 district. The applicant is proposing an addition to the existing residence so is seeking the AR-1 district to make the property eligible for the required permit.
2. If approved, the lot would be eligible for one single family residence, accessory structures and up to 3 livestock animal units.
3. The property is surrounded by A-1 land except for an AR-1 lot adjacent to the northeast.
4. The proposal is consistent with the adopted comprehensive plans as it would not change the existing use nor negatively impact the continued agricultural use of surrounding land.

Town Recommendation: The Town of Highland recommends approval

Staff Recommendation: Staff recommends approval.
