Planning & Zoning Committee Recommendation Summary

Public Hearing Held on February 23, 2017 Zoning Hearing 2870
Recommendation: **Approval**

Applicant(s): Mark Gilbertson **Town of Moscow**
Site Description: part of the S1/2-NW of S32- T5N-R5E also affecting tax parcels 020-0336 and 020-0337.01

Petition Summary: This is a request to create a 5-acre AR-1 lot by rezoning from A-1.

Comments/Recommendations

1. The proposal is to divide the existing residence and an accessory building from the farm as part of an estate settlement. The existing A-1 district requires a minimum 40-acre lot size, thus the proposed 5-acre lot is being proposed to be zoned to the AR-1 district.
2. If approved, the lot would be eligible for one single-family residence, accessory structures and up to 3 livestock type animal units.
3. The associated certified survey map has not been formally submitted for review.
4. The property is in a largely agricultural area and is about $\frac{1}{2}$ mile from the Village of Hollandale.
5. The proposal is consistent with the adopted comprehensive plans as it is not converting agriculturally productive land to another use nor negatively impact the agricultural use of surrounding property.

Town Recommendation: The Town of Moscow recommends approval.

Staff Recommendation: Staff recommends approval with the condition that the associated certified survey map is duly recorded within 6 months of the zoning approval by the County Board.
