

MABAS Division 124

Iowa County

SOP: MABAS Executive Representative(s) Incident Response

Scope: To outline the procedures for MABAS Division 124 Executive Representative(s) in their ability to respond to calls.

MABAS Div. 124 Executive Reps consist of Division Chief, Division Deputy Chief, or the assigned Duty Officer for the Division.

GUIDELINE:

After the MABAS Alarm has been activated the MABAS Rep may respond in one of the following ways.

1. May be paged to the scene by the request of the IC, this may be done thru dispatch or by a direct call.
2. Should upon monitoring county public safety communications and by using sound judgment, respond without request to the incident. This applies to "MABAS Alarms only".
3. May assist local dispatch "IF" requested.

Response to calls will be via personal vehicle. Response will be in the mode of non-emergency. The responding MABAS Div. Rep or Duty Officer will contact dispatch to inform them that they are in route, at which time they may use radio #786 as call number or simply "MABAS Div. Rep".

MABAS Division Rep will only be used to assist the Incident Commander of the incident.

Examples: policy, procedures, resource management.

All management assignments for fire ground operations will be filled using the designated "Box Card".
