Public notice for immediate release to be listed in the next issue of your newspaper, please:

BY AUTHORITY OF THE IOWA COUNTY HIGHWAY COMMISSIONER the following county roads shall be posted for **SEASONAL SPRING LOAD WEIGHT RESTRICTIONS** on or about Monday March 7, 2016; to the Class B load posting table of state statutes:

CTH B between STH 80 and CTH J in the Town of Eden
CTH B between STH 23 and STH 39 in the Towns of Dodgeville and Linden
CTH DD between CTH W and STH 39 in the Towns of Mineral Point and Waldwick
CTH E between CTH G to CTH G in the town of Mifflin
CTH G from the village of Cobb south to CTH X in the towns of Eden and Mifflin
CTH K between CTH ID in the village of Barneveld to USH 14 in the town of Arena **
CTH N between STH 133 and CTH I in the Towns of Pulaski and Clyde
CTH T from USH 151/18 to CTH K in the Town of Brigham
CTH XX from STH 18 to CTH E in the Towns of Eden and Mifflin

in accordance with Wis. Stats. 348.17. Whereas, a notification is provided to the public and a determination has been made by the county highway commissioner that the conditions of the existing roadway, because of weakness of the roadbed due to deterioration or climatic conditions or other special or temporary condition, would likely be seriously damaged or destroyed in the absence of such special limitations. Therefore, pursuant to 349.16 (1) the county highway commissioner may :

“(a). Impose special weight limitations on any such highway or portion thereof,…”

Therefore the above listed County Trunk Highway(s) shall be posted for load weight restrictions of a Class B nature related to 12-18-24 ton loadings, as set forth until such time as a determination the risk no longer exists is made by the Iowa County Highway Department. The above listed weight restrictions shall be temporary, until such time as the spring thaw conditions subside. Proper signage shall be erected at each location in accordance with Wis. Stats. so as to provide reasonable notice a special weight restriction is in affect and the nature of the limitation. Proper signage shall be erected at the above listed locations at the nearest county or state trunk highway intersection thereto so as to allow for proper notification and the selection of an alternate route. No special Overweight permits will be issued during the seasonal spring thaw postings.

** The Class B load postings for CTH K between CTH ID and STH 14 north of Barneveld will be a permanent posting until such time as the road can be repaired between Mounds Park road and STH 14.

If you have any questions or comments, please contact the Iowa County Highway Commissioner, Craig E Hardy; at (608) 935-3381 extension 605.

Respectfully Submitted,

Craig E Hardy, PE-RLS
Iowa County Highway Commissioner
