## Request for Temporary Use Permit Iowa County Planning & Zoning Committee

Section 2.6 of the Iowa County Zoning Ordinance allows for a request for a Temporary Use Permit as follows:

Temporary uses may be permitted for a specified length of time by the Iowa County Planning & Zoning Committee, provided they are similar in character to the allowed uses in the surrounding area and do not conflict with existing legal uses on or around the affected lot. No Temporary Use shall be allowed for more than a period of 12 consecutive months. In the case where an existing residence is to be replaced with a new residence, the existing residence may be occupied during the construction of the new residence provided that it is razed or otherwise removed from the property within six months of the issuance of the Certificate of Compliance for the new residence.

This form must be completed and submitted to the Office of Planning & Development to request a Temporary Use Permit. The Office Director will respond with the Committee Chair's decision whether and when to place the request on the Committee's agenda.
