Checklist for Land Use Change (Rezoning)/Conditional Use Requests

(No application will be accepted until each of the following items is accomplished.)

Step 1 Discuss all proposed land divisions, development and land uses with the personnel of the Iowa County Office of Planning & Development. This is required to confirm the current zoning status of the property at issue, determine the appropriate district to request, and to identify any other relevant local, state or federal issues.

Step 2 Contact the Town Board or Boards affected by your proposal. All towns have adopted comprehensive plans that must be adhered to. The Iowa County Planning & Zoning Committee requires a written recommendation from the Town Board(s) affected in order to determine consistency with the adopted plan.

A WRITTEN RECOMMENDATION FROM THE TOWN

Date met with Town(s): _____

Step 3 All land use change (rezoning) requests must include an EXACT metes and bounds legal description of the lot proposed to be rezoned. The Director must approve of the submitted description before the application will be accepted. *Note: In many cases, a proposed land division will require review and approval of a Certified Survey Map in accordance with the Iowa County Subdivision and Land Division Ordinance. In general, this applies when there is any proposal to divide land that results in the creation of a lot less than 40 acres...either to be sold or kept.*

Date approved by the Director: _____

Step 4 Any request that would result in a permitted use that may require a private on-site sewage system requires a **SOIL TEST** to be performed and recorded with this Office *before* an application will be accepted. This assures an approved site for a septic system.

Date soil test recorded with Office: _____

Step 5 Please complete the attached **APPLICATION**. The Office of Planning & Development will NOT accept an incomplete application and may hold incomplete applications for the following month's filing deadline.

Date completed application submitted to Office: _____

Please Note: A land use change (rezoning) request involves a public hearing before the Iowa County Planning & Zoning Committee at which time this committee will make a recommendation that must be acted upon by the Iowa County Board of Supervisors. ***The applicant/landowner or a representative for the applicant/landowner must be present at the hearing.*** No rezoning is effective and no construction permits can be issued until the **County Board action**. A conditional use request requires action by the Iowa County Planning & Zoning Committee but does not require County Board action.
