

Energy and Weatherization Program

ELIGIBILITY

Am I Eligible? Apartments and homes for renters & homeowners.

- If you received Low-Income Energy Assistance ([WHEAP](#)) benefits during the current heating season, you are automatically eligible for weatherization services. Persons with high heating costs who receive WHEAP benefits will be given priority for weatherization service.
- Residents of Grant, Iowa, Lafayette and Richland counties.

BENEFITS

- Insulate attic and sidewalls to reduce air leakage.
- Insulate or, as needed, replace water heater.
- Repair or replace furnace.
- As needed, replace refrigerator.
- Install energy efficient lighting.
- Health and safety inspection.

APPLICATION

To get more information about eligibility and the application process, contact the program representative at 608-943-6909 or at the office of Southwest CAP Housing Energy Program, 206 Hwy 18, Montfort 53569. You can also get additional information at www.swcap.org
