Date Originated: 07/19/2011  
Date of Modifications: 12/18/12, 11/14/17,  
Policy Number: 703

### 1. PURPOSE:

To establish guidelines and procedures regulating the use of County Buildings.

### 2. ORGANIZATIONS AFFECTED:

### 3. POLICY:

This Meeting Room Use Policy is established by County Administration under general authority granted by the Board of Supervisors. It is directed by the County Clerk.

This policy governs the use of public areas of buildings owned, leased or otherwise occupied exclusively by Iowa County Government that are used for the conduct of County operational business. County facilities not covered by this policy include Bloomfield Health and Rehabilitation Center.

The primary use of County facilities is for the conduct of County government business. Consequently, groups that are associated with Iowa County government have priority use of facility space. This includes the Board of Supervisors, formal and standing and subcommittees of the Board of Supervisors, individual members of the Board of Supervisors conducting County business, County Administration, boards or commissions appointed by the Board of Supervisors and County staff for purposes of County business. Use of public areas by any of the above County entities has priority (in the order listed) over use by another group.

Only non-profit citizen groups that are located in or do business in Iowa County are permitted to use public areas in County facilities and County grounds to the extent permitted by law. Such use must not interfere with County government functions, operations and business.

The use of any County facility (that falls under this policy) by profit-making groups or for profit-making purposes is prohibited. Exceptions are allowed for county retained services.

A custodian and/or a technology fee may be assessed in certain circumstances.  
No alcoholic beverages may be brought into County buildings.
