

Resolution No. 12

Whereas the Land Records Committee was established to plan for and implement a land records modernization program for the County, and

Whereas the Committee has met on a regular basis and created an initial plan to chart the course for the county program, and

Whereas it is now timely to provide for a plan update and application for grant funds and consultant proposals have been reviewed for this service

Now Therefore Be It Resolved that this Committee does hereby recommend that an agreement be entered into with Fairview Industries in the amount of \$7,000.00 in accord with the proposal submitted and

Be It Further Resolved that the Chairman and Clerk are hereby authorized to approve such a contract if required and the payment is authorized from the retained recording fees authorized by the land records program and currently held for this program.

Land Records Committee
