RESOLUTION NO. ___8___

A Resolution Making A Designation For Airport Zoning Purposes.

WHEREAS, the three counties of Iowa, Richland and Sauk own the Tri-County Airport near Lone Rock and it has become necessary at this point for an airport zoning ordinance to be adopted dealing with land uses in the vicinity of the Airport in order for the Airport to qualify for Federal funding for various airport improvements that are contemplated; and

WHEREAS, airport zoning poses special legal problems because that zoning will override and supercede whatever existing, local zoning might already be in place and so there are special provisions in section 114.136, Wisconsin Statutes, which set forth how airport zoning ordinances are to be enacted; and

WHEREAS, Richland County Corporation Counsel Ben Southwick has advised that there are two alternate methods set forth in section 114.136 (1), Wisconsin Statutes, for starting the airport is owned by a combination of municipalities, and the most convenient of these alternatives is found in section 114.136 (1)(c), Wisconsin Statutes, to act as the Joint Commission for Airport Zoning for the Tri-County Airport near Lone Rock; and

NOW, THEREFORE BE IT RESOLVED, by the Iowa County Board of Supervisors that the Sauk County Zoning Committee is hereby designated, in accordance with section 114.136 (1)(c), Wisconsin Statutes, to act as the Joint Commission for Airport Zoning for the Tri-County Airport near Lone Rock Airport; and

THEREFORE IT BE FURTHER RESOLVED, that this Resolution shall be effective only upon the adoption of a like Resolution by the County Boards of Richland and Sauk Counties.
