

RESOLUTION NO. 2

Whereas the work load for the zoning administrator has increased to the extent that assistance has been requested for the zoning office and

Whereas we the undersigned Committee recognize the additional activity and the need to develop staff to be involved in the coordination of zoning and related duties

Now Therefore Be It Resolved that it is our recommendation to create the position of assistant zoning administrator and hereby request that the position be filled as soon as possible through the joint involvement of the Personnel and Zoning Committees.
