

* RESOLUTION NO. 6-1295*

A Resolution Making An Appropriation To The Tri-County Airport Commission.

WHEREAS in the past each of three (3) county members of the Tri-County Airport Commission made an appropriation to the Commission to build a fuel island at the Tri-County Airport at Lone Rock, Wisconsin; and

WHEREAS the Commission now believes that it is necessary to add an automated credit card system to that fuel island so that pilots can get fuel for their airplanes on a 24-hour a day basis by using their credit cards but, since this automated credit card system was not contemplated in the original design of the fuel island, the Commission needs an additional \$15,000 to install this automated credit card system; and

WHEREAS the Committee on Finance, Bonds and Insurance has carefully considered this matter and is now recommending that the Iowa County Board of Supervisors make an appropriation to pay Iowa County's share of the cost of adding this automated credit card system to the new fuel island at the Tri-County Airport at Lone Rock, Wisconsin.

NOW, THEREFORE, BE IT RESOLVED, by the Iowa County Board of Supervisors that \$5,000 is hereby appropriated from the General Fund to the account of Tri-County Airport in the 1996 County budget for the purpose of paying Iowa County's share of the cost of adding an automated credit card system to the new fuel island at the Tri-County Airport at Lone Rock, Wisconsin; and

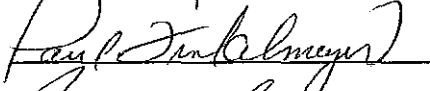

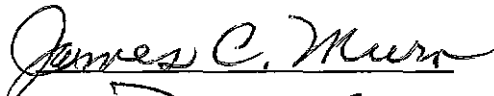

BE IT FURTHER RESOLVED that this Resolution shall be effective only upon the adoption of like Resolutions by the Board of County Supervisors of Richland and Sauk Counties.

Dated this 19th day, of December, 1995.
